Mission

To bring global news, information, research and innovation in understanding and treating children and parents facing divorce, child custody and high conflict personalities.

Vision

To serve as an international tool, sharing the voice of experienced family professionals all working to improve child outcomes.

Multimedia Features

Contemporary Family helps practitioners, researchers, policy makers and professional students in family service disciplines through:

- ★ Contemporary Family Magazine, An International News Quarterly
- ★ Contemporary Family Website (contemporaryfamilymagazine.com)
- ★ CF DIGITAL! Global Voices to Improve Child Outcomes (anchor.fm)

TESTIMONIALS

ContemporaryFamily

GLOBAL RESOURCES FOR EFFECTIVE CO-PARENTING

"Contemporary Family is an innovative and enterprising approach for bringing together a wide range of mental health and legal professionals and advocates who strive to enhance and strengthen family ties, the fundamental cornerstone of our civilization."

Dr. William Bernet
Professor Emeritus at the Vanderbilt University School of Medicine and President of the Parental Alienation Study Group.

"Contemporary Family is a publication I really care about and support. This quarterly magazine is readable, informational and encouraging. I hope you will support Contemporary Family eliminate parental alienation."

Lynn Steinberg, PhD
Therapist and author of "You're Not Crazy: Overcoming Parent/Child Alienation."

"At last—a superior magazine advocating childhood emotional health and safety! Through Contemporary Family Magazine, guidance-seeking parents have access to cutting edge research from worldwide professionals, are kept current with public law and policy, and are advised and supported through a wealth of expertly written articles."

I highly recommend Contemporary Family Magazine as a reliable source of parent education for anyone, and even more specifically for those navigating the painful process of parental alienation!"

- RANDI FINE

Narcissistic Abuse Expert and Author of the book *Close Encounters of the Worst Kind: the Narcissistic Abuse Survivor's Guide to Healing and Recovery*. - <https://www.randifine.com>
